
Workers Compensation Insurance

Our specialized underwriting team collaborates with you and your appointed producers to create a workers compensation insurance solution that fits your dynamic entertainment risks.

Comprehensive Workers Compensation for the Entertainment Industry

We know there are unique occupational hazards in the entertainment industry. When an employee suffers a work related injury or illness, our protection offers prompt access to experienced, caring professionals at every step of the employee's recovery. Workers compensation insurance, in addition to providing prompt access to medical professionals, helps to cover wages and medical benefits.
